January 12, 1996

Dear Colleague:

This has been a wonderful year for me as CLAO's 30th president. We have made a lot of progress in broadening the education of eyecare professionals both in the United and abroad, thus helping to ensure quality care of all of our patients.

We at CLAO are very proud of our relationship with our international colleagues. I know that our collaboration will continue grow as the education of eyecare professionals becomes a more global effort. Thus, I hope you will be able to join me for this year's CLAO Annual Meeting (February 1-3, 1996, at the MGM Grand), which promises to be an outstanding meeting.

Please accept my personal invitation to join your CLAO friends at the President's Reception on Friday evening, February 2, 1996, in my suite at the MGM Grand.

Sincerely,

A handwritten signature in dark ink, appearing to read "Penny Asbell". The signature is fluid and cursive, with the first name "Penny" being more prominent than the last name "Asbell".
